Q3: What response did you give to the Porte representatives on their latest development proposal?

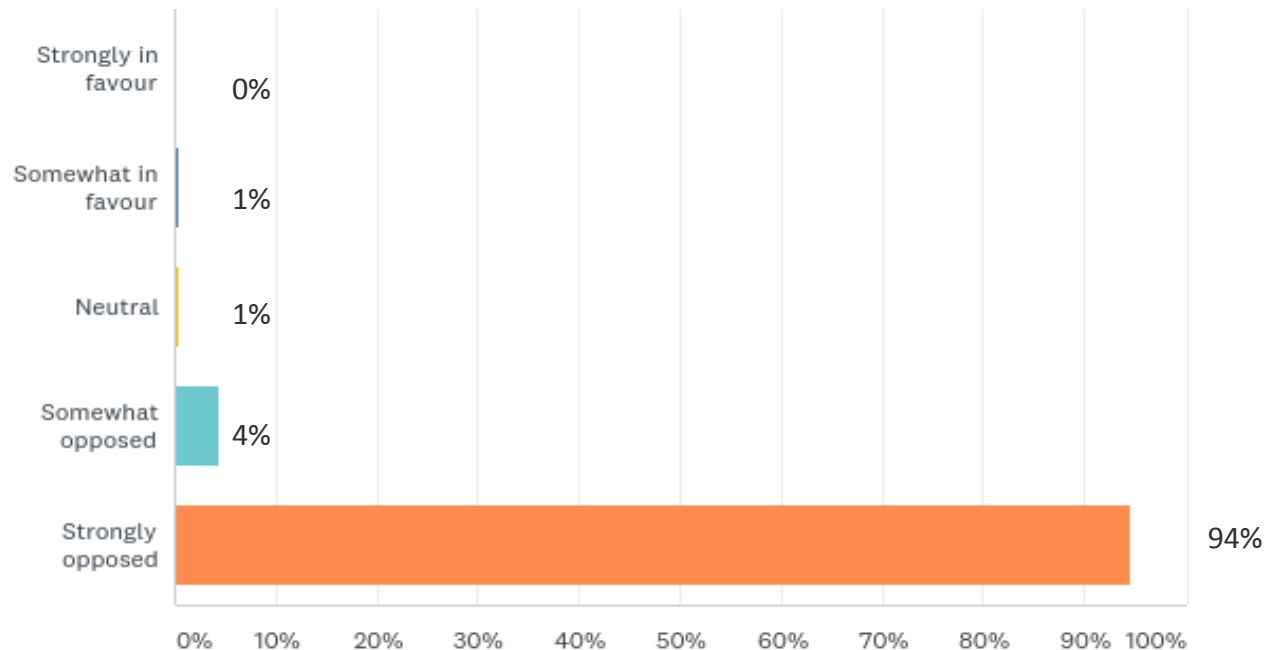

Answered 83
Skipped 124

Q4: If you had concerns/questions, how well did Porte respond?

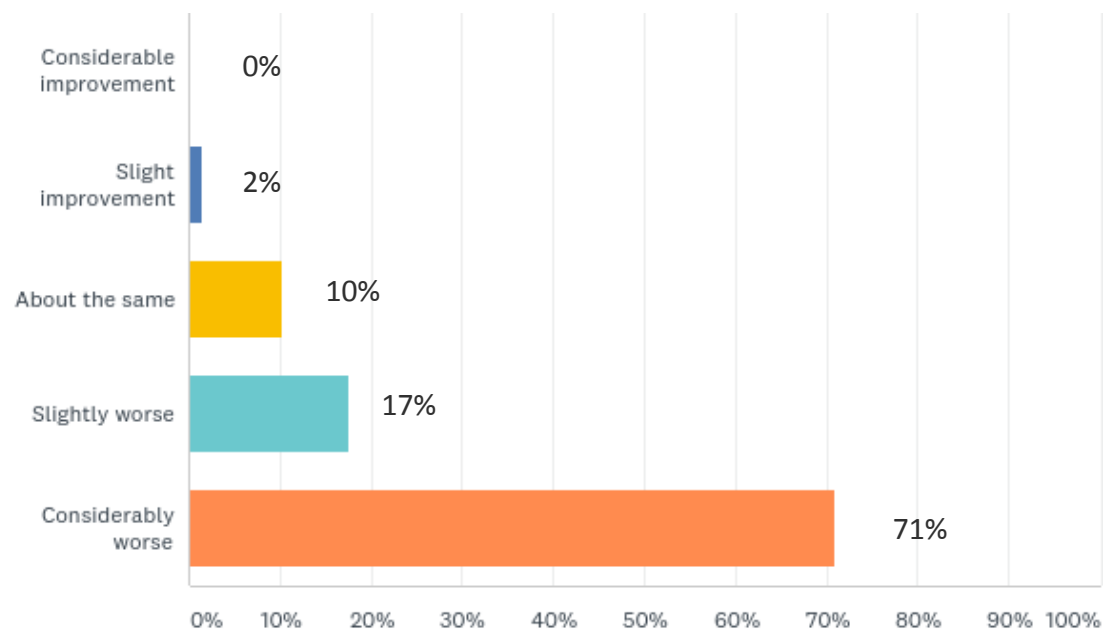

Answered: 75
Skipped: 132

Q5: What is your current overall response to the Porte's current proposed development?

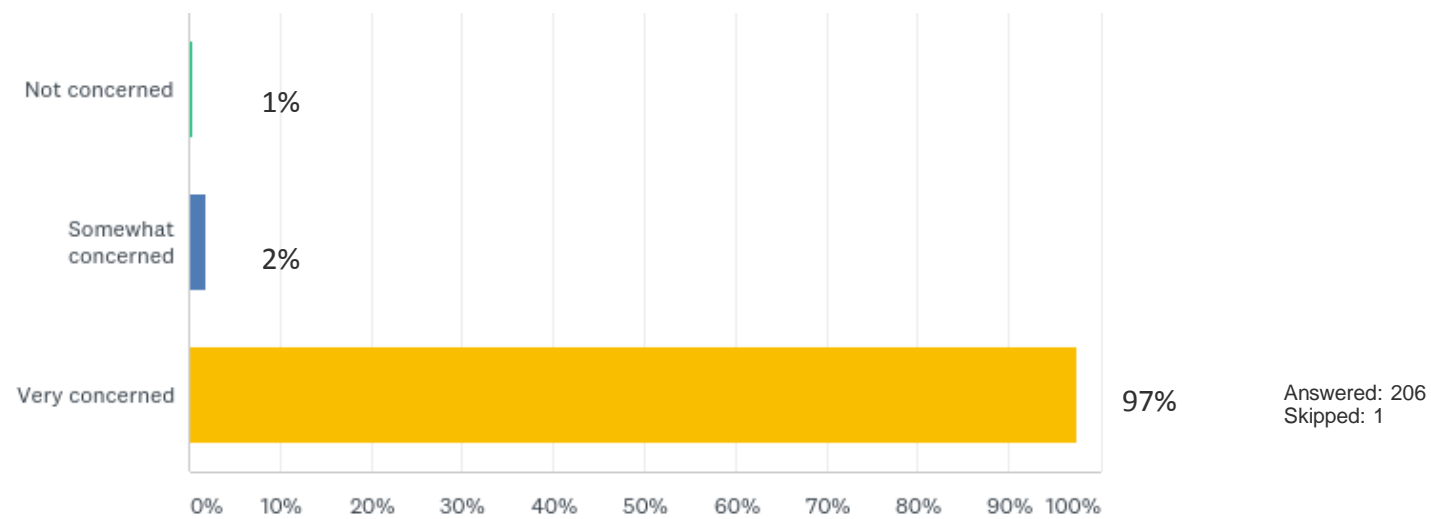

Answered 75
Skipped 132

Q6: Porte’s previous development proposal as presented at a Public Information Meetings in June 2016 and May 2017 at Morgan Creek Golf Course to build 300+ townhouses on the Retreat Centre lands received considerable opposition from Rosemary Heights residents. How would you rate their current development proposal for 322 residential units plus a school for francophone students with a capacity of up to 260 students from kindergarten to Grade 6 in terms of addressing the concerns previous expressed by Rosemary Heights residents?
