We need your support and please attend this event!

Doug MacCallum, Steven Pettigrew and the **SafeSurrey Coalition** are hosting an important campaign called ***Save Surrey Parks*** and having chosen this site to launch their campaign. The coalition will all be in attendance, along with local media and members of the community.

As you know, the former Retreat Center Lands located on 3690 152 Street have been purchased by a developer who hopes to clear-cut the natural forest and place high density housing in its place.

The **Rosemary Heights Community Association** was formed to address the concerns of the community on Environment, traffic, density, school overcrowding, and development in general.
